

# Mahaveer Public School

Session 2018-19

## Homework

### For Summer Vacations Class-VIII

**English:** Urbanisation and human activities have led to a lot of damage to the environment. Marine life is also suffering from the same. Write a newspaper article on “How oil spillage and water pollution is effecting aquatic animals.”(100 words).

Use colourful illustrations to support the Article.

**Science:** Visit nearby garden area or forest area or any biological park. Find the system of irrigation used in that area .Write a description of the same also found and talk to caretakers about the management of plant and animal waste generated in this area. Write a short summary of your visit.

**Social Science:** \* Make a collage explaining using pictures in your notebook).  
“**The Blue Rebellion: Origin and its after effects**”  
\*On a Political map of India mark any 10Tribal groups in their respective stated.  
(Use your creativity to make it colourful. Paste it in your notebook.)

**Mathematics:** 1. Draw five 2-D shapes and write their properties.  
2. Draw five 3-D shapes/figures and write their properties.  
3. Write number of faces, edges and Vertices of the figures taken/ drawn in question 2.  
4. Draw Top, Front and Side View of Hut, Car and a glass.  
(All Work done in A- Sheet Only)

**Art:** Prepare the collage on any Great Writers. Use A-3 sheet and get laminated to.

☺ Happy Holidays ☺
