

Mahaveer Public School

PROSPECTUS

Our mission...

To empower our students with value based teaching aiming at the holistic growth, transforming them into compassionate, responsible and global citizens with a scientific temper and humane outlook.

Mahaveer believes...

- In providing the students high quality education integrated with Indian culture and modern insights.
- In empowering the students to develop critical and creative thinking that would help them to realise their potential.
- Cultivating in the pupil the skills of listening, speaking, reading, writing, observing, logical thinking and scientific attitude towards life and learning.
- In moulding the students' personality to make him a committed citizen of the world.
- In perceiving Mahaveerian as a strongly principled human being who possesses a profound sense of commitment to social justice, secularism, environment, tolerance and world peace.

Dynamism and vision manifested

Foreword from President

*Dear prospective parents,
Greetings!*

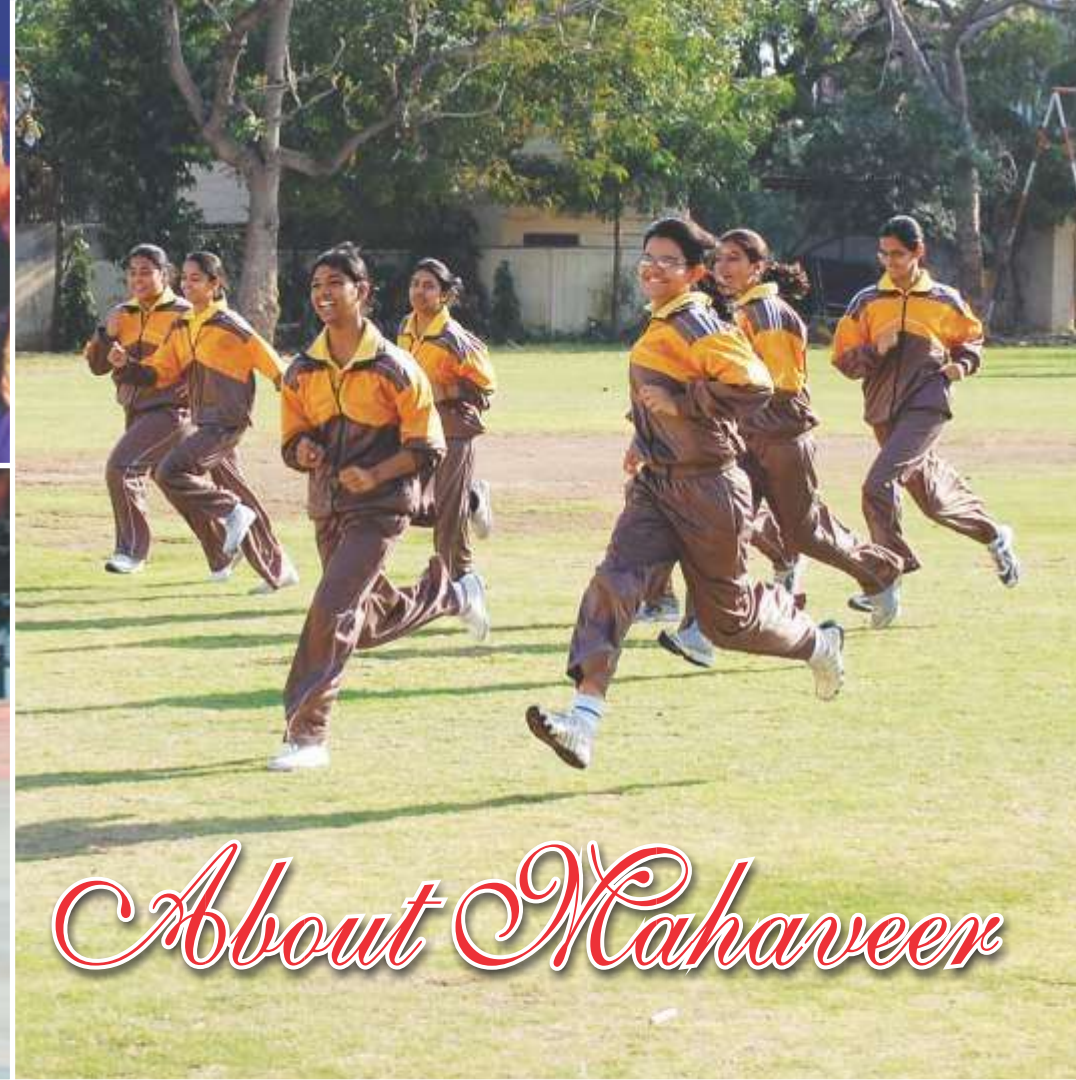

At the outset I would like to congratulate you for selecting Mahaveer Public School for the educational odyssey of your child.

The tiny sapling planted in the year 1996 with merely 217 students is now a blooming ever growing tree. It is well known to the world that we at Mahaveer aim to educate our students by honing and sharpening their latent talents culturally refining the young Mahaveerians and infusing in them self-motivation transforming them into global citizens.

For widening the horizons of the students we intersperse the academic with a whole lot of innovations in the teaching learning techniques. The smart class concept has redefined the teaching learning experience leading to the holistic growth of our students.

It has always been our endeavour to encourage and motivate our students to reach the zenith and excel as compassionate, responsible and culturally refined persons with humane outlook.

Shri Rajendra K. Godha

About Mahaveer

The school established on April 7, 1996 with merely 217 children and 9 teachers on its roll was given a head start by its founder Principal Mrs. Rama Datt. Today, MPS is a fully comprehensive co-educational English Medium Sr. Sec. School affiliated to CBSE New Delhi, with over 2300 students nurtured under expert guidance and care.

ACADEMICS *Engineering quality brick by brick*

The Facilitators

The teaching faculty is remarkable, versatile and committed. They are friends, guides, motivating spirits, inspiring hearts, who strive to foster right values and knowledge. Special emphasis is given to the professional growth of staff members which keeps them tuned with the latest trends and innovations in various fields of education. Refresher courses, seminars, workshops are all part of our efforts to make our faculty more than just educators.

The Teaching Methodology

The teaching methodology aims at the holistic growth of the students. The school aims to create an ethos that will encourage children to grow physically in knowledge and most importantly in curiosity, confidence, independence, resilience and resourcefulness. It provides an environment where the mind can grow unfettered and free of constraints.

Evaluation

A system of comprehensive and continuous evaluation based on oral and written examination is practiced throughout the year. This has proved to be a very effective and accurate method of evaluation. In the Secondary and Sr. Secondary classes, evaluation is done as per the C.B.S.E. rules.

INFRASTRUCTURE

GAMES AND SPORTS *A healthy mind resides in a healthy body*

The School has a huge playground and state-of-the-art sports equipments and facilities. There are Volleyball and Basketball courts. The school has lush green out field for Hockey and Football. Educational and adventure activities like trekking, mountaineering, rock climbing etc. form an integral part of school life. All endeavors are made to develop sports cultural which helps in developing positive traits like strong character, stamina, competitiveness and team spirit.

The students of the school have brought accolades several times in various athletic events, skating, judo, gymnastics and team events, especially basketball, at district, state and national level championships.

Class Rooms

Airy and spacious classroom with adequate natural light and a feel of openness, provides the perfect ambience for teaching-learning.

INFORMATION TECHNOLOGY *Moving with time*

Computer aided learning has become imperative for the learners in the fast moving world. Keeping this in view, two air-conditioned well-furnished computer labs have been established where students have ready access to Pentium-IV machines, coloured monitors and multimedia.

To realize the aim of modernizing infrastructure and meeting out the challenges & competitions in the field of education the school has been equipped with MGRM's School Expert System - a leading service provider in the educational domain. MGRM an acronym for Multi Domain Global Relationship Management, will assist in the development of the overall personality of every individual connected with the system. In order to implement all the modules of the system successfully in the school, an electronic OMV card has been made for all staff members and students.

THE ART COTTAGE *Evolving expressions*

Colouring the bleakness life; for life is lot more than books and bags, it's about the childhood's fervor and undying zest of life. Art is soul food as much as learning is ration for mind. Young artists at Mahaveer pursue their creative instincts at an immaculately styled and equipped ART COTTAGE under expert guidance.

SCIENCE LABS

Discovering brilliance in the miracles of science and re-inventing vivid future

The budding scientist of the school get the right platform for discovering brilliance in the miracles of science and re-inventing vivid future through the well-equipped Science Labs. Practical experience provides the foundation for building up both theory and structured factual understanding. The well developed and appropriately stocked Physics, Chemistry and Biology labs, foster scientific temperament among the young inquisitive minds.

AUDIO VISUAL LAB *Teaching transcends beyond classrooms*

The text book study is well-integrated with audio-visual aids. A carefully structured time-table enables each class to visit the fully air-conditioned and beautifully furnished AV room which is equipped with a wide collection of educational cassettes and CD's to supplement classroom teaching.

MAHAVEER LIBRARY *Because it takes words to describe the world*

A constantly expanding library is the center for research as well a study base for the students' projects and other literary and cultural activities. Students are encouraged to be companions of books which are treasure-house of wisdom and experience of centuries. Stacked with over 18600 books the School Library includes a plethora of encyclopedias, magazines, journals, interesting story books, CD ROMs and books related to academics and general information.

Mathematics Lab : *Creativity at its best*

For providing quality education and meeting the norms laid down by the CBSE, the Mathematics Lab was inaugurated on Sept 8, 2006 by eminent mathematician & educationist **Sh. Tej Karan Ji Dandia**. Mathematics has been fun for kids and senior student since then. A concrete base is provided to abstract concepts of the mathematics. Students perform practicals and activities in the beautifully laid out lab with the help of hand made models of papier-mache and wood.

Educomp - Smart Digital Boards

Keeping pace with growing technology in education, Mahaveer Public School has recently got Educomp Digital Boards installed in 54 classrooms. Students also enjoy the facility of a 3-d lab, in order to empower and revolutionize the entire learning process. The experience is extremely rewarding and the classrooms have come alive. The introduction of Educomp Smart Class will definitely equip the Mahaveerians to face challenges in learning with better understanding.

The Robotics Lab

The latest technological advent is the Next Robotics Lab. This unique programme is a catalyst to enhance 'Scientific Knowledge' providing hands on experience to students.

Girl's Bag Pipe Band

*Tradition relived
and
grace personified*

A unique and a popular feature at Mahaveer is the Bag Pipe Band, for the girls of classes VI, VII and VIII. It is a colourful, rhythmic and graceful activity in which discipline is the key factor. The children experience the freshness and brilliance of music. The activity also increases blood circulation, which in turn tends the growth of hormones that leads to good height and built of a child. It can be a career option for those who specialize in it.

The Mahaveer Girls Bag Pipe Band has been performing commendably well on various prestigious occasions as the NCC Day, Republic Day, Independence Day etc. and has been praised by eminent dignitaries for its exceptional endeavour.

Brass Band *Symphony to ears*

Mahaveer Public School Brass Band was started in the year 1998 with full pomp and glory. Every celebration in the school is marked with a splendid performance by our very own band. The students participate with zeal and enthusiasm, with invigorating performance and are appreciated for the unique and dynamic music that the Brass Band makes. Students render exemplary soothing music with the help of horns, trumpets, drums, cornets etc.

Students from classes VI-VIII are members of this unique Band group.

FITNESS PARADISE *The Physical Education Lab*

A laudable and mega venture of the Shiksha Parishad has been the setting of a roof top gym, one of its kind in the city of Jaipur.

An expansive neatly laid out gym is solely dedicated to the senior citizens of Jaipur. The gym is equipped with latest fat busters, indigenous, imported, custom designed and user friendly devices to suit the needs of all ages.

The gym has opened up a new era in the field of health and fitness. Truly a gift for Jaipurites and Mahaveerians.

EDUCATIONAL TRIPS AND TOURS *Nature, the best preacher*

Learning in recreational manner stimulates interest and adventure. Students of all the classes are taken outdoors regularly for educational as well as recreational tours. This makes them familiar with the surrounding places of tourist interest as well as beauty of nature. Such trips enhance over all development of a child and create a desire to explore new things, widen his/her thinking, horizon and cultivates the art of sharing.

Nature walks and field trips add adventure to their otherwise orderly existence. Cocooned in the heart of nature, trying to walk through wilderness, they are bound to learn more. Students have visited the hill stations of Kullu Manali, Rohtang Pass, Dharmshala, Dalhousie, Simla, Chandigarh and Nainital in the past years. These trips are fully planned and supervised by our experienced staff.

MEDICAL CHECK-UP

Health is wealth

The school management is conscious about the health of its children. An annual health check-up of the students is a compulsory feature where teams of specialized doctors examine the students thoroughly and suggest further needs/tests on individual medical cards. The health report is duly sent to the ward's parents for information.

Co-Curricular Activities

Mahatma Gandhi once said "By education I mean the all round development of mind, body and soul." Imbibing this spirit, the teachers at Mahaveer carefully structure the year plan which gives ample opportunities to the students to exhibit their very best in various art forms, be it dance, drama, songs or literary activities like essay writing, slogan writing, extempore, debate etc. The festive occasion and national days are planned much in advance and the students are motivated to participate in such events thereby gaining an insight into our culture and tradition.

To foster competitive spirit, right from classes I to XII the students are vertically divided into 4 Houses. Bulbul (red), Mayur (green), Neelkanth (blue) and Hans (yellow) under teachers as House Incharges. Inter House activities are a regular feature.

A special innovative feature at Mahaveer is the morning zero hour activity period. The school premises is abuzz with various activities like art & craft, gymnastics, martial art, skating, aerobics, dance, dramatics, vocal music, instrumental music, girls' bag pipe band and brass band. Students from Classes I-VIII choose an activity according to their aptitude and interest.
