Important Message

Subject : Implementation of CBSE Guidelines for Computer Science, Skill Subjects, and CT & AI (Classes VI to VIII)

Dear Parents,
Greetings from Mahaveer Public School.

As per the latest circulars and guidelines issued by the Central Board of Secondary Education (CBSE), important changes have been introduced in the school education system, and it has become mandatory for all schools to implement the same.

We request all parents to kindly go through the following details regarding the subjects related to Computer Education for Classes VI to VIII.

Present Subject Structure

Currently, students are studying:

1. Computer Science – Compulsory subject (marks included in overall division/result)
2. Skill Subject – Either

Artificial Intelligence (AI) or Coding New CBSE Mandatory Subject

CBSE has now introduced Computational Thinking & Artificial Intelligence (CT & AI) as a compulsory subject for all students.

School Implementation

Mahaveer Public School will continue all existing subjects and will additionally implement CT & Alas per CBSE norms.

The subject structure will therefore be as follows:

Computer Science

Skill Subject : AI or Coding

Compulsory Subject : CT & AI

Books and Study Material

The Computer Science book currently being followed by the school will remain the same.

For the Skill Subject (AI/Coding) , students will study through the modules and study material provided by CBSE.

For CT & AI, the school will follow the module and study material prescribed/provided by CBSE

Assessment Pattern

Computer Science will continue as a compulsory subject, and students will appear in all examinations including:

PA-1

Half Yearly Examination

PA-2

Final Examination

No. MPS/20 26

Date 8/05/2026

Students who have opted for Artificial Intelligence (AI) as a skill subject will study the syllabus as prescribed in the CBSE Handbook. However, its internal assessment will be conducted separately from CT & AI.

The same process will also be followed for students who have opted for Coding as a skill subject.

CT & AI will be assessed separately as a compulsory subject according to CBSE Board guidelines.

Important Note for Parents

Parents are kindly requested to note that studying CT & AI is mandatory for all students, irrespective of the skill subject chosen by them.

We seek your cooperation and support in the smooth implementation of these CBSE guidelines.
